Student Service League

Service Hours for Students

Lead with Purpose. Serve with Impact.

The Student Service League is designed for middle school and high school students who want to make a difference in their community while earning verified volunteer service hours.

Since volunteers under age 15 are unable to volunteer at our facility, the Student Service League provides an opportunity for students to lead collection drives that directly benefit local children experiencing foster care, crisis and trauma.

Every collection drive provides essential clothing, shoes, hygiene products and school supplies to children who need them most.

Whether you are fulfilling service requirements for school, National Honor Society, Beta Club, Scouts, church youth groups or college applications, the Student Service League allows you to turn leadership into meaningful impact.

Who Can Participate?

The Student Service League is open to students who want to organize a collection drive benefiting Midlands Orphan Relief.

Students may organize drives through:

- Schools
- Neighborhoods
- Churches
- Sports teams
- Clubs and organizations
- Businesses
- Community groups

How It Works

Step 1: Register your collection drive before it begins. Email info@lorkids.org requesting the link to register the collection.

Step 2: Choose an approved collection item based on Midlands Orphan Relief's current needs.

Step 3: Promote your drive using customizable flyers and graphics provided by our team.

Step 4: Collect donations for up to four weeks.

Step 5: Schedule a drop-off appointment and deliver your donations.

Step 6: Once your collection has been verified, receive your volunteer hours and recognition.

Please see the Student Service League Collection Drive Policy for complete participation requirements.

Student Benefits

- Receive four verified volunteer service hours for each completed collection drive
- Certificate of Completion
- Digital badges for LinkedIn, resumes and college applications
- Leadership experience organizing a community service project
- Documentation of volunteer service
- Eligibility for letters of recommendation based on demonstrated leadership and long-term involvement

Student Service League Recognition

Recognition Level	Requirement
Member	Complete your first collection drive
Leader	Complete three collection drives
Ambassador	Complete six collection drives

Students reaching each level receive additional recognition and updated digital badges celebrating their continued service.

Digital Welcome Packet

- Student Service League Guide
- Customizable collection drive flyer
- Donation wish list
- Volunteer hour verification information

Why It Matters

Thousands of children in the Midlands experience foster care and crisis situations each year.

A simple collection drive can provide essentials that offer comfort and remind a child they are valued.

By joining the Student Service League, students don't just earn service hours—they develop leadership skills, strengthen their communities and help ensure every child has the essentials they deserve.
